Public Comment will be guided by the Borough Land Use Board’s designated “Host” on the Zoom platform. As circumstances dictate, it is possible that the procedures described herein may be modified as required to ensure appropriate access to the Meeting.

All Land Use Board members will be seen and/or heard via audio conference. Members of the public will be able to give public comment during relevant portions of the meeting.

4. You will be given 5 minutes to complete your comments.
